

FROZEN CLEANED SQUID

The Town Dock is one of America's premier calamari suppliers, providing quality calamari for food service customers nationwide. We are the leading purchaser of domestic (East Coast) calamari. Our extensive fleet of draggers and frozen-at-sea vessels ensure a steady, year round supply. We also stock a large inventory of imported calamari to meet our customers' needs.

Our goal is to provide:

- Ø **Consistency**
- Ø **Supply**
- Ø **High Quality**
- Ø **Customer Service**

Our success has been built on putting the needs of the customer first. We strive to satisfy our customers and we are there to support them each and every step of the way.
